

ANA PAOLA ESTRADA RODRÍGUEZ

UX/UI DESIGNER • FRONTEND DEVELOPER

+52 614-602-6040 | anaestrz@gmail.com | linkedin.com/in/ana-estrada-84085a29b | ana-estrada-portfolio.vercel.app

PROFILE

UX/UI Designer and frontend developer with a Computer Science background, focused on turning research and business requirements into clean, conversion-oriented interfaces. Experience spans e-commerce, fintech, and enterprise platforms, combining Figma-based design systems with hands-on React/Svelte implementation. Trained internationally through a data science & AI exchange program in South Korea; fluent in English (C1).

PROFESSIONAL EXPERIENCE

Product & UX/UI Designer | Hobi

Feb 2026 – Present
Chihuahua, Mexico

- Own end-to-end UX/UI for a geofencing-based fintech product, from user flows and wireframes to high-fidelity prototypes in Figma.
- Design mobile-first, conversion-focused interfaces and collaborate directly with engineering on implementation feasibility.
- Recognized with the Entrepreneurial Trajectory Award by Parque Orión at Tec de Monterrey.

Frontend & UX Intern | Mentory Grupo Consultor

Feb 2026 – Apr 2026
Remote · Puebla, Mexico

- Implemented interactive web interfaces with React.js, matching UI prototypes with high visual fidelity.
- Optimized components for performance and a smoother end-user experience, working in a distributed team.

Institutional Storyteller | Tecnológico de Monterrey

Aug 2024 – Jun 2025
Chihuahua, Mexico

Visual Coverage Specialist

- Directed visual coverage and digital content strategy for high-impact institutional events.
- Produced multimedia content that increased visibility and audience engagement across social channels.

DESIGN & UI/UX PROJECTS

Hemara | E-commerce & Digital Jewelry Store

Jan 2026

Figma · UI Design · Commercial Design

- Designed commercial interfaces and interactive catalogs, optimizing visual hierarchy and shopping-flow conversion.
- Built a cohesive visual identity across every interactive touchpoint of the storefront.

BookIt | Digital Exploration & Books Platform

Mar 2026

Figma · UI/UX · Navigation Systems

- Designed search and filtering flows, structuring display cards, dynamic menus, and interactive galleries.

Management Platform | AutoZone

Feb 2025 – Jun 2025

Figma · Svelte · Design Systems

- Led design systems and enterprise interface architecture, translating business requirements into technical specs.
- Delivered frontend implementation in Svelte under SCRUM, participating in sprint planning and reviews.

EDUCATION

B.S. Computer Technologies Engineering | ITESM

Aug 2022 – Jun 2026
Chihuahua, Mexico

Tecnológico de Monterrey

- 2026 Integral Student Award — generational distinction for leadership, academic rigor, and athletic excellence.
- Academic Merit Recognition; President of representative boards within the Student Federation.

Data Science & AI Exchange Program | SKKU

Aug 2025 – Dec 2025
Seoul, South Korea

Sungkyunkwan University · GKS Scholarship (Government of Korea)

- Selected by the Korean government for international academic excellence; coursework in AI foundations, text mining, and interaction design.
